

Suns Of Sphairee
August 2016

Dear Sons of Sphairee,

I am having a really great time at camp this year, I just got back from my fire day canoe trip it was really fun. I am working on my 1st award for archery it kind of hard to do because you have to get 26 points to finish your award. I have made a lot of new friends and memories this year. Thank you again for giving me another opportunity to come to this amazing camp.
