Dear Suns of Sphairee donors,

Fall 2025

We are delighted to send along the letters from our four “Little Brothers” along with a list of our very generous donors. You will notice a second list; donations in memory of Peter Curry, a well-loved Ponackian who died in January 2025. Peter’s son Will Curry also attended Ponacka. Thank you to each one of you who donated to our Suns of Sphairee fund!

All four boys attended Ponacka in August and enjoyed sunshine, balmy water temperatures and rainless canoe trips. It was a month for the record books!

We send along our very best wishes and sincere gratitude for thinking of Ponacka and for your donation.

Anne, Don, Laura, and Graham
